

Outcomes Based Contracting

READINESS SELF-ASSESSMENT

Directions for using this rubric:

Use this checklist below to determine if your district is ready to launch a virtual tutoring program tied to an outcomes-based model.

0 = Not interested in exploring this

1 = Not yet, but we'd like to

2 = In progress or exploring

3 = Already in place

Program Focus

We have clear goals for student learning outcomes within our district.	0	1	2	3
We regularly and routinely track student progress using assessments or tools that show growth and achievement over time.	0	1	2	3
Our processes or systems allow us to securely share student progress and assessment data with approved partners when needed.	0	1	2	3
We review tutoring attendance and engagement data for tutoring sessions to understand participation and consistency.	0	1	2	3
Tutoring staff and district teams share data and discuss student progress together throughout the program.	0	1	2	3
We make adjustments to tutoring programs during the program itself based on tutoring data.	0	1	2	3
We discuss tutoring results, we talk about student growth and learning outcomes, not just participating metrics.	0	1	2	3
We're open to exploring funding models that link program success to student outcomes.	0	1	2	3

Points Rating

0-5	Not Right Now	We love that you're interested in outcomes-based tutoring! It sounds like this approach isn't the right fit for your district yet. Many districts spend time researching OBCs to ensure they're set up for success when they are ready. When you're ready, we'll be here with data, proven results, and guidance for districts like yours. Here's some information you may find useful.
6-12	Just Getting Started	You're on the right track! Right now, you're probably swimming in information, trying to understand success metrics and what it means to build shared accountability. Here are some resources to support your research.
13-19	You've Got a Strong Foundation	You're well on your way. Your team is already pretty informed on OBCs and you're laying the groundwork that sets you on the path to success. With a few refinements, you'll be all set for an outcomes-based model for tutoring in your district. OBC Contracts with BookNook . Want some direct information? Let's Chat!
20-24	You've Clearly Done Your Research	You're basically ready to go — all you need is a vendor. You have the systems, culture, and habits that make an outcomes-based partnership thrive. Let's build on that and measure what matters together! Next Steps: Let's talk about your goals!
